Item 4: Other Business Activities

- A. Jayson O'Connor is actively engaged as a registered representative of Independent Financial Group, LLC, a broker-dealer and investment adviser independent from Premier Wealth Advisors LLC, and from time to time will earn an ordinary and customary commission from the sale of a security in such capacity. This creates a conflict of interest, because Jayson O'Connor has the potential to earn both commission and advisory fee revenue from a client. Jayson O'Connor addresses this conflict of interest by fully disclosing his relationship with Independent Financial Group, LLC, and informing clients that they are under no obligation to purchase a security through him.

Item 5: Additional Compensation

Jayson O'Connor does not receive any economic benefit from any third-party other than clients for providing advisory services. Such economic benefits are conveyed through Premier Wealth Advisors LLC.

However, it should be noted that Jayson O'Connor is compensated by Independent Financial Group, LLC in his capacity as a registered representative for the sale of securities. From time to time, such compensation will be contingent on achieving certain securities sales thresholds (which may or may not be met), in consideration for attending certain educational or training conferences, and in consideration for hosting certain seminars or presentations for clients or prospective clients. These forms of compensation from Independent Financial Group, LLC creates a conflict of interest, because Jayson

O'Connor may feel incentivized to recommend certain products and services of Independent Financial Group, LLC over other comparable product and service providers. Jayson O'Connor addresses this conflict of interest by fully disclosing her relationship with and compensation from Independent Financial Group, LLC, and informing clients that they are under no obligation to purchase any product or service through him or Independent Financial Group, LLC.
